The Rappite Community at Economy, Penn. This community is dying out, like all of it

now before Congress, contains the following sult of a recent visit to the place, as follows: kind The Pittsburgh Desputch gives the re the Beacon light at Pennsylvania, \$5,250; for manifest painfully, and teach a sad le son o rebuilding the beacon light at Ituron, Ohio, mortality. Count Leon took away about 250 of the original 500; others left at other times death has reaped many; and less than 300 remans. The advance of age and decrease o numbers compels a curtailment of occupations Sitk manufacture is therefore abandoned : cot ton and woolen manufactures are confined to the little winter work, for their own ware; so The museum is gone long ago; their music bands are no longer kept up; even in the harvest fields they must hire help, and reduce the amount of lar buil, and eight or nine cows at \$200 cach, none for wool; of hogs about seventy-five, which are bought for fattening and kitting alone, each year, as they raise none; of horses,

"The people feel independent, and care very little for accumulation at present; hence they labor regularly, but never hurriedly, and of land, worth say \$100 an acre; add value of town buildings money, stock, &c., they exmut did badly and returned like the produgal son. The Society bate some very neive members yet; some very ingenious mechanics, ton -They have within a few years purchased pine Priday night last a severe storm visited Meliand up the Alieghany, and have a saw mile and happy and contented, and I think a really res igious people

### Church Property in Mexico.

The Archbishop, with nine bishops under him, all having cathedrals and chapters, except the prelate of Sonora-with 185 prehendaries and canonries, 1 200 parishes, and a regular and secular clergy am meting to 10,000 persons, was no inconsiderable personage. Of the regular elergy, 2 500 reside in the capital, and the ors ders of the Dominicans, Franciscans, Carmelites and Morcedarians possess 150 convents. The salary of the Archuishop is \$130,000 per annum, that of the 3odop of Pachia was 110,000. The remaining bishops receive altogether about \$200,000 more. It has been extremely difficult city for the purpose of prosecuting a heavy been able to get at the trnth Some years since | | ad in one of the best parts of the city. the following was admitted by the Archbishop | vas granted to his great grandfather by Win. to be the value :

Churches, houses, convents, furniture, jewels, precious vessels... 52,000,000 Floating capital ...... 20,000,000

But it is fully believed this sum is not more nor Lendo de Tegada, who is now at the head of the finances, asserts with perfect confidence that the real property of the clergy is of the descendants down to that of his father. The value of from two hundred and fifty to three certificate of 1699 is one drawn in the style hundred million dollars. In the city of Mexis | peculiar to the Quakers of those days. A copy and the income has been estimated by the Min-The quantity of gold, silver and jewele in the of the capital, is supposed to be worth a unilion of dollars.

### The Man for the Hour.

John Thomas a strong Gerrit Smith man, recovery - Philadelphia Times. writes as follows, to Fredrick Douglas paper: his press is the month-piece of all that is mean and malignant and pro-slavery in the Border Democratic friends in that County are laboring an end. It is vostly important that Col. Frequency of the Democratic friends in that County are laboring month by elected President. He is not honest, zealously for the success of the Republican sincere. Anti-Slavery man, a conscientions, brave, wise, and resolute man, who can marrevolues and the patronage of this Government POWDER MILES BURNE.-The powder mills in favor of freedom, who will set it out of the nine holes, and give as liberty judges, postmasburnt up on the 4th inst, and killed three of main, if I understand Mr Smith rightly is John C. Fremont 1 an anxiously looking for a publie declaration from Mr. Smith that he will DENIUD.-Henry G. Webb of Ripon, denies support Mr. Fremont for the Presidency, and Border Ruffien champions of Slavery and Slave that he is a member or officer of a Know Noths for a cell from him upon all those whom his infiguree can reach, to put him in possession at value as Palm oil. The tree exists in large DEMOCRARTIC FIGURING.—A Democrat, one. Now, let us have the proof of the origis—thrill millions of leving heavis with unatterable—or trem, and grown, occupying the space or an acre—The idea of making use of it, originatsuch a declaration and such a call with a shout—in at the powers of their government. It would quantifies in the Island of Trinidad, about 200 of transport and thankfelness, such as no other man can elicet. He will never live to see the day when he cause honor himserfand bless his country as be can do it in that noble act 16 he suffers this crisis to pass without thus imerstown, Maryland is reported to have failed proving it, he will lose the best opportunity any American ever had to honor his principles

A Rich Vein of Copper. The vein of copper on which the Minnesota is over 16,000 feet. For a distance of 50 fathoms down, it works righly and without any sign thoms gielding 1,000, per fathom; calling one third of this ground dead, the balance will yield 72,000 tons of copper, worth at the present rates the enormus sum of \$29 350,000, Several European mines are worked at 2,000 feet and more, vertical distance below the surface.

Such a vertical distance would make on the present inclination of the vein above 466 fathems depth, and would give in its whole length 1 581,500 fathons of ground, which at the rate above named would yield 640,750, tons of copper worth at present rates \$256 300,000; and this is but one vein, while in the Minnesota there are two others, proved to be very rich, and no account has has been taken of the rich counter lodes, branches and feeders; which every where form so important a part of the miner's wealth .- Detroit Tellune.

SOMETH ING NEW - There is to be a gather. ing of deaf mutes at Concord, N. H., on the 3d of September next, when an oration is to be bolivered, in the sign language of course, by Mr. Laurent Clerc, who has been chosen orator of the day. The services of Rev. Thomas Gal-audet of New York, bave been secured as interthe assembly.

COLUMBIA'S SHAME.

BY AUGUSTA MUCRE. TOLL, tell the bell ! Our country's star is falling f And all the hosts of hell Rejoice with give appalling ; With pullII brow Columbia stands, The dark blood dripping from her hands,

" I aughter of Liberty, " What hath defiled thy garments: " Loathsome they are to see, " Like foul, worm-eaten erren ents !

6 What horrid deed-a hat awful sight, " Has turned thy blooming features white !" Her blood-wined hunds the goddess raise i,

And will ly on their hue she gazed, With darkly rolling eye; Then its clear chance of fiving theme, Revening well har matchless mane, Partied on me mournfully.

"My children make me vile," she sail; Then he will her regal head Was bowed by grief and shame; " Oppression sits within my gates,

" Di-honor on my footsteps works, " My cons poliute my terme

" My lainds the y wet in guiltle-s blood, " And in a black and distract flend " Or averice, but and puble, Wuose Leithsome, fool, and fedd waves " Howl flercer than a man ac raves;

" My vesture they have dyed, " My dark-browed children's walls are burne " To give time on the breath of morn And on the six of eye "I may not stay the cheeving lash,

. For gaivering flow's and crue' gosin There but private grims, " Bark! It ar's then not the clausing chains, " The trightful area is that chi I my veins,

" Nor the se appairing critical Thus spike Calombia, and her tones Scenned pregnant with the tears and mount Of all life's agratics.

Abram Copies Company and agrapher The held end of n to nother proved a covail Worthy's great heart riven; And sherebs, and grooms, and curses ident, From myrial breaking hearts were sent

With her Land cry to Leaven, The Judge of Astrono Laurel Roll. And s am th' avenging sword will fall, Hot with devouring ire, Odminists summer and sledt set, Colum (a's sail with blood be wet, Be parced by bleed and fire,

Taen Cat dark enemy Water cown of fact Chaning Amid his basts shall see A brighter morning beaming, Who a Freedom's glorious businers wave High o'er Oppress on's deep-dug graye.

A CURIOUS CLAIM .- Mr. Sam'l W. Chambers, of Boone County, Kentucky, is now in this o ascertain the real value of the general prop- c and for real estate. The estate is valued at erty of the church. No administration has over \$20,000,000. It consists of 20 seres of I can, in 1693. The deed was in posession of an Real estate in town and country. (313,000,000) a nessur at Chester, when that town was token by the British, and carried to the State find fault with the oppointment. They ought a chives for safety, and is now in Harrisburg Mr. Chambers seems to have worked at the try by documentary evidence. In this he has 6 ally succeeded. He is now in possession of ti e marriage certificate of his great great-grand father, and also of those of every one of the of it is written in a bible bearing date 1631. T is bible was printed "by Robert Parker. printer to the king's most excellent majesty."

The Chambers family removed from Philas The Chambers family removed from Philas display to Deleware, where many of them now a bandred times for Speaker, always for a Dems

He has employed John W Stevenson, an en inent lawyer of Covington, Ky., to supervise th - business, and consulted very eminent counhere. There seems to be a very curious provision in the deed from Wm. Penn, which, tal en in consection with a still more curious statute of our State, passed during the Revolus tion, in regard to proprietary rights, prevents

PEAR TREE OIL -From experiments lately ma le with the truit of the Avocado, (Laurus Pe sea) pear tree, an account of which appears in the last Society of Arts Journal, it seems prebable that a new substance may be brough use, possessing considerable commercial According to the analysis of Dr. Hoffs man, the oil expressed from the fruit, when dives ed of its peculiar bitter taste, may possibly be i inde a substitute for olive oil as at In illutainating power the oil is not ver; much inferior to the average quality of spe in oil, although as a Intricating material it can not be considered fit for the higher classes of a achinery, for, even when purified, it retains an ettraction for oxygen, by which it becomes rapilly colored, viscid, and actually acid; nor can it " either in price or in applicability compete with that remarkable substance, Parafline oil, distillation from several varieties of goal at a low temperature, which has been discoverec within the last year by Mr James Young But for the purpose of soop making, the oil of of them, full grown, occupying the space of an ried nto effect by Mr Gruger, who, in his experiments, found that, even with imperfect means of expression, the per centage was rom twelve to thirteen per cent to the bulk of pulp, which is heaver than the olive The dice of the stones of the fruit produces a deep and indelible black stain, and so be made use of for tak and other purposes London Paper,

TRUE AS PREACHING -The following paragraph from the pithy sayings of Ralph Waldo Einer ion:

" V'e spend our income for paint and paper, for a undred trifles, I know not what, not fer the things of man. It is for cake that much We dare not trust our wit for making our house pleasant to a friend, and so we buy ice or ams. He is accustomed to carpets, and we have not sufficient character to put the floor clothi a out of his mind whilst he stays in the house, and so we pile the floor with carpets,-Leta louse rather be a temple for the furies of Lacedemon, formidable to all, but a Spartan may enter or so much as uphold. As soon as there is society, comforts will be left for slaves."

MR. BUCHANAN AND THE GALPAIN CLAIM. The residers of Democratic papers will remember the great outery they made about the recogaition of the Galphin claim by our Government ander which recognition Gen. Taylor's administration was compelled to pay hundreds of thousands of dollars; but it is probably they do not temember that recognition was made under James Buchanan, while Secretary of State under President Polk. Whatever responsibli ity and whatever odium or criminality. therefore, attaches to this Galphin claim, by which undreds of thousand of dollars passed from t e United States Treasury, is due to preter, for the benefit of the hearing portion of claim, and thereby made the government res-James luchanan, the man that recognized the possible for its payment.

IOWA ELECTION.

FIRST GUN POR FREE KANSAS;

Thece Cheers for Femont!

The results, so far as they go, given in another column, leave no doubt in our minds that the Republicans have carried Iowa by a hands some majority. We have the votes of all the Border Ruffian strongholds; in some we have routed the enemy, horse, foot and dragoons and in others, shorn him of half his strength.-The result elsewhere in the State, will show only a succession of triumps for Freedom and Fremont! Lowa leads the van,-Chicago Trib

Es Col. John H. George, of N. H., has de clined the appointment of Secretary of Minnesota Ter.

28 A Washington dispatch of the 3d states that Col. Genry has accepted the appointment of Governor of Kansas, and will proceed thence as soon as instructions are made out.

GERMAN DOCUMENTS for the campaign, may 1.104. Milwankee. County and Town Committees, and all interested, will take notice.

FIRE AT PATTERSON .- On Sunday Inst a destructive fire occurred at Patterson N. J. consuming the drug-store of W. H. Halstead; variety store of John Srinson; china and glass store of John Haben; dry goods store Blauvell & Berry; and dry goods store of Ward A. Stontenburg. Loss from \$15,000 to \$20,000, partially insured.

MILWAUKED WATERTOWN AND MADISON. -The Madison Argus says: Wm B. Hibbard President of the Milwaukee, Watertown, and Madison Rail Road writes that he has just shipped 169 tous of iron for that road, and we used in bot or cold, hard or soft water, and not only be are informed that over 300 men are now at parts to the child budy a delicious tragrance, but ten to work on the grade between Watertown and ersit steam, plump and beautiful. Foreste by F. C. Ar-Madison.

HUNKUR TESTIMONY. - While the Argus denounces the appointment of Mr. Randall to the office of Judge, as one not fit to be made, the Workingman of this city, (Buchanan argan.) enye:

" In the appointment of Mr. Randall, we consider the circuit very fortunate. Mr. R., though a young man, is an old resident of the State, and is known to all to be a gentleman of rare legal attainments. No better appointment could

We believe none but Barstow Democrats to oppose him.

HERBERT A DEMOCRAT .- The New York Tribune, in replying to the statement of the Cincinnati Enquirer, that Herbert is a Know Nothing, says:

Herbert is not only a Buchanan Democrat, but was actually a member of the Convention which nominated Buchanan-held in that very Cincinnati where this Enquirer is published !-Herbert has sins enough to answer for, without being slanderously accused of Know Nothingism. He was elected before there was any reside. Samuel Chambers is duly authorized ocrat, and has tept on voting that way ever to prosecute the claim for all the decendants. and couldn't

Herbert in his recent speech, claimed to have been elected as a Democrat.

" BEECHER AND THE SLAVE GIRL .-- A correspondent of the New York daily News says that the slave girl whose freedom was purchased by Mr. Beecher's congregation, absconded times, the statue of limitations from running against lately, taking with her certain articles not her fatorest publicable position. it. Mr Chambers designs to prosecute for its property. It was a trick, it is said, concocted an I the girl, to raise \$1,200 She returned to him, was quite happy, and getting along as well as could be expected."

The above falsehood is being extensively copied by the Pro-Slavery press, to the injury of the girl Sarah, and the humane trader wh o generously manumitted her on the payment of \$1,100, being \$100 less than he paid for her. She is now in Washington City, a free reman and employed as a domestic in one of the most respectable families in that city. The statement is, therefore, false in every particular .-

The Madison Argus repeats the falsehood with its own embellishments. manderen immensioneren in bild, en terretario, mit determine bild, en terretario

IOWA —We have no doubt this State has gone for Freedom. Plank after plank falls out of the Border Roffian Platform.

Blair, the candidate elected over the Border Ruffians in the St. Louis District, was openly opposed to Sinvery extension. His election by over 1,000 unajority is, therefore, one of the most significant sign of the times.

### MARINE INTELLIGENCE.

Steam Titg Walter McQueen,-The may sions of the new atour ting Walter McQueen, which etc. pod at this part ; estenday, on her way to Chicago, areta follows : length, 100 met ; beam, 18 met; hold, 9 feet register, 155 ton . She draws Tly fort water, even kee, with 30 tons con on board. She has calms for the cray and captain's states cam, and wheel house, sin list to regular steamers. Her engine and propelling wivel were built at Sel enectedy, by Wieter M. Queen, after whom she is much. The cylinders are 17 inches in dibe obtained by writing to B. Domschke, box ameter, with 2, inches streke; and the wheel? fee: 12 Inchesia diemeter, Blo was built at Butalo, for Messa R Pren Replie or I J. Ebbert, of Chicago, and vest is,

PUTNAM FOR AUGUST! HOUSEHOLD WORDS for August: Schoolfellow WILSON S. jp3fdaw 175 East Water Street.

ALBERT WOOD, PRODUCE AND COMMISSION MERCHANT. NO. 89, SPRING STREET, : : MILWAUKEE.

STRICT and personal attention paid to all consign ments and orders, which are respectfully solicited and promptly attended to. PHEFERNOFS: Mersire, Marsial S. Halvy, R. Bunkers, Milwaukee, Mresire, E. I. Tinkham & Co., Bankers, Chicago, Colombia County Bank, Portage City, Wis. Neaves, James Richardson & Co., Mailson, Wis. Allen Haires, Esq., President of Mechanics' Bank yrithad Maho.

N. Harris, Esq., President Atlantic Bank, Bosson, leh?dayet VEW BOOKS received as soon as is said from the press, by [4722] A. WIIITTEMORE & Co. TELEGRAPH

Buchanan's telegraphic letter to the Convention of Hards and Softs at Syracuse has disgusted and mortified the Democrats here bes cond measure, and some declare outright that t is a hoax. A member of the Cabinet was to the fact that they sell continue the Furniture and Uphousands of votes at the North, and not gain ilm a single one at the South. The egotistic waddle about such an "important event" (i.e. he prospect of electing Old Buck!) in this oldways horizing in mind their method of a required, crisis," and the "rebuking of faunticism," Smell Profits. Our stock of good's mid-similar manner of modern manner with a bad grace from the old fillibuster; supervision, consists of a veriety of Low Process, Medican. hat hatched the Ostend Manifesto.

Aug. 3d -Mr. Richardson of Illinois, who as boasted so much since his return to this city about his prospect in that State, really to pains wearealways taking to satisfy our customers, will his friends, gives up the battle and acknowledges-what is is the fact-that Illinois will the State Feirs, for the last three years, the sole and only rive a large majority for Bissell for Governor diplomas, we intend to sustain the promaposition bither and Fremont for President.

Congressional.

In the Senate on the 5th inst, the House ill for providing for running boundary line bes t veen Washington Territory and the British p issessions, was taken up and passed. Mr Seward presented the petition of Chas. (Fobinson and others now confined in Kansas

a ider the charge of treason, praying for their

relief. Referred to committee on judiciary. Missouri Election.

Incomplete returns from nine Wards of St. Lauis, give Benton 4,963, Polk (Dem.) 2.045 Ewing, (Am.) 3,833. For Congress, Blair (Bentonite) 5,772, Reynolds (Dem.) 1,613,Kennott (Am.) 4,464.

Benton will probably lead Polk 4,000 votes in the county. Blair's unjority over Kennett, in the city will reach 500. The precinct of Munchester-for Benton 44, Ewing 91, Polk 59. Blair 43, Kennett 102, Reynolds 46.

Missouri Election.

Sr; Louis, Aug. 5 Blair's majority over Kennett, will not be far from a thousand.

Benton's majority over Polk in this county wilbe about 3,300; ditto over Ewing about The vote is not all counted, but it is pretty

ce tain the entire Benton ticket is elected in th a county.
At Hannibal, Ewing's majority over Benton is '68; over Polk, 115; Richmond, Democrat,

for Congress, largely ahead. Dispatch to the Case 20 Dispatch. Election of F. P. Blair, Jr.

ST. LOUIS, August 5. Hon John Wentworth .- I am elected by one theusand majority certain.

F. P. Blair, Jr. Jown Election.

L. B. LANE, Morme inspiration of the property DAVENPORT, Aug. 5. This county gives between 300 and 400 unjor ty for the Republican ticket.

MUSCATINE, Aug. 5 Sixty Republican majority in the town and shout 150 majority in the county.

( alena, Jackson county, Iowa gives the Re-

pul lican ticker 150 majority.

I es Moines County gives Davis (Rep.) 32
majority over Leffler (Dem.), with one Republican town to hear from. In '54, it gave 165

Special Dispatch to the Chicago Tribune. Dubuque County Republican Guins.

Dubuque August 5. Entrons Tringant - The Border Ruffians av carried the city by 301 majority, being a Rejublican gain of 246 votes since last spring's election. The Border Ruffian majority in the con ity will be about 400-a great Republican gait. Three cheers for Dubuqe!

GREAT SALE

KILBOURN CITY!! In Columbia County,

IN THE WILL BE OFFERED AT PUBLIC SALE y the proprietors, on Mon ky. Angust 38th, 1856, iring the eather work, from ONE THOUSAND Watch Glass, Materials, Tools and Regulators; also, 476 THOUSAND CITY LOTS.

Situa ed in different pures of the plat, saluble for business and residences,

forms of Payment Will c made easy, by a small amount in hard, and the cenne after on long time, with low rate of interest and a about discount to all persons who shall make valuable imprevements with a a year from the time of purchase, or to hise who may profer to pay in hand.

KILBOURN CITY 

The Site of the City Itself a beautiful in the extreme, being an elevated plain, rising amosthly and evenly from a bluff elevation of 20 test a over the river, which flows around its western boundary to an elevation of about 259 feet, where it needs be table hand at its eastern boundary, two milestical transfer.

sistan. From the river. The warde state of Wisconsin is justly celebrated for its HEALTHY CLIMATE And solubrious air and the site of Kilbourn City, founded up the rocky elevation, surrounded by undulating groups, and supplied with the purest water, is inferior, in this respect, to no other locality in the whole State.

At it is point the

La Crosse & Milwaukee Railroad

Cross: the Wisconsin river, affording easy communica-tion is sween the eastern and western portions of the State of the country beyond.

Also at this point, one of the largest

WATER POWERS In the linte is in progress of being created, by the Wisconsin River Hydraulic Company, under a charter grant ed by on State. The Wisconsin is the largest river in the Stresend this Water Power will be the lowest down on the iver of any that on ever he improved, thereby giving o it peculiar advantages, which will speedily invite the execution of mills and manufactories of every described.

they will be able to sell as law as any house west of Lake scription.

Down HAC, Mich., Merch 11, 1856,

J. A. RHODES, Usq.: Dear Ser—As I look your medicine to all on east ament, the cute no pay? I hake the pleasure in tetricite effects a reparted to me by three brothers who live in this place, and their textiminy be all a precimen of all I have received?

W. S. Conkein told ne—"I red taken ame bottles of Christick Ague B issum, in decaninodly can down while using it with each bottles are formed to that degree that libered discharged from my mouth and low? on, so that all thought it would be impossible for me to live through another chill. The doctors too did all they could for me, but thought I must die. No bing dat me any good until 1 at Rhode - Free and bousea at my stomach and pain in my bovels, on I produced a permanent cure in a smart time."

H. M. Conkein, says: "I had been taking medicine of se good a decreates we have in our county, and taken any quantity of quintine on ispeciales without my good result, from 25th August to 17th of December. But seeing how nicely it permed upon my brother. But seeing how nicely it permed upon my brother, gut a bottle of RHODES PEVER AND AGIE CURE, which alserted a permanent cure by using two tairds of a bottle. S. M. Conkein was not seen but both the other hoothers as my his cross was the crimes II. Mex. I sold the medicine to both the rane day and the rane was as a speedy from the same small quantity, and I migst an speedy.

The above peaks for the W. Good proof as it is, like of no better tenor than the vartament of like certificate I have watered by mobilished are the still greater amount that is continually pouring in time.
